## ART TRAIL MAP IN PAPAKURA

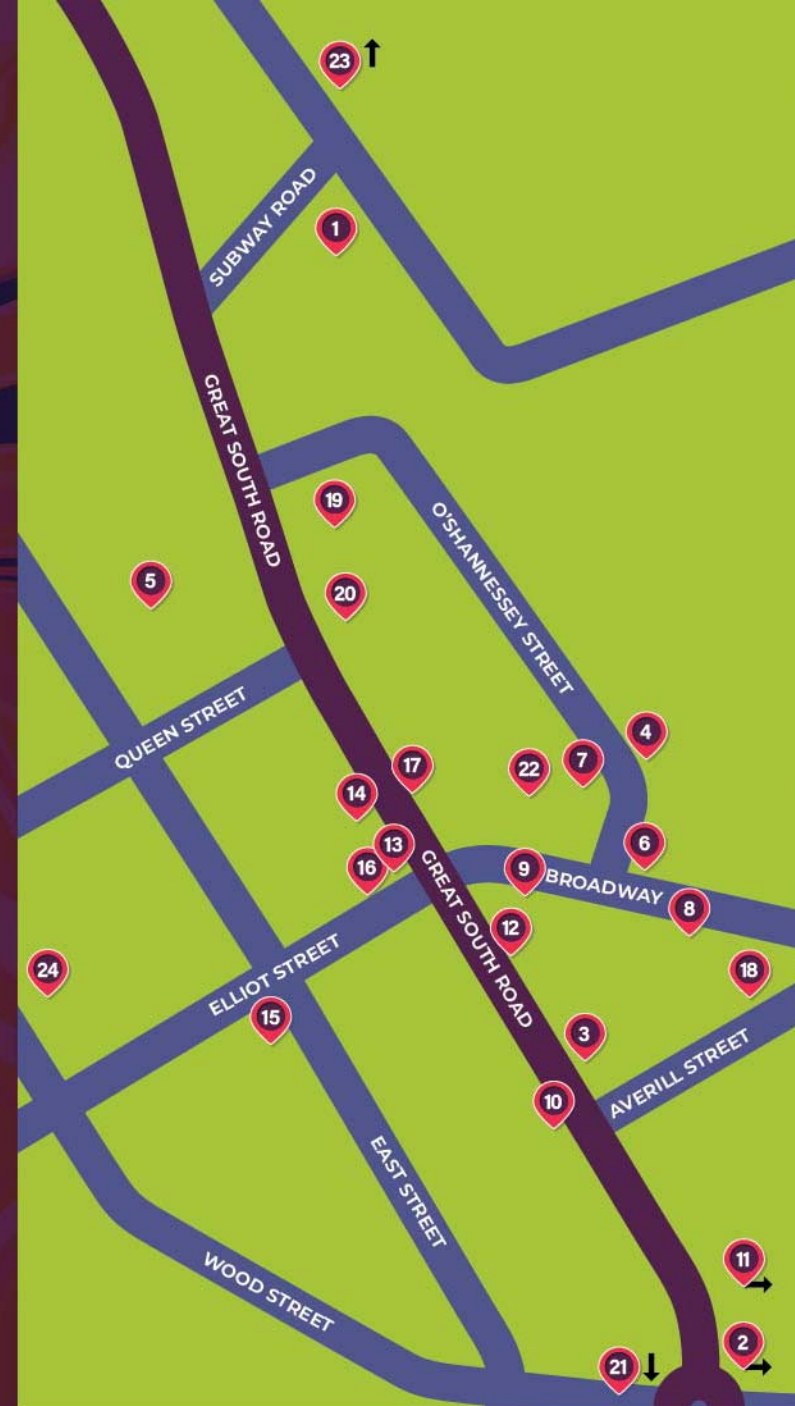

Check out the beautiful murals  
that have been done by local  
Artists in Papakura on vacant  
walls and empty spaces in the  
town.

We are so proud of these beautiful  
murals that have been done and  
we encourage you to do a mural  
walk next time you are in Papakura  
to view and enjoy each and every  
one of them.

Some of our murals are interactive  
and you can get your photo taken  
in front of them as part of the  
mural picture – Angel Wings &  
Davis Street Carpark.

Then feel free to post them  
to our Instagram page
